

REJOIN EU

Brexit is Broken

Now is your chance to be heard. Rejoining the EU is a real prospect, but only if you tell the government it is what you want. It may not happen tomorrow, but we can start the journey *today*. **LEND US YOUR VOTE. PUT US FIRST ON THE BALLOT. TELL THE GOVERNMENT YOU WANT THE BENEFITS OF EU MEMBERSHIP BACK.**

WHAT LONDON NEEDS FROM ITS MAYOR:

A mayor who will work to return the benefits of EU membership to Londoners, including:

- Restore the benefits of ERASMUS.
- Support London artists touring in Europe.
- Re-establish equivalence for financial services in London.

"Millions of Londoners voted to remain in the EU. I will ensure they still have a voice"

"We've been badly let down by the opposition parties who've left us politically homeless"

"I'm delighted to work with Volt, the Pan-European Party in this endeavour"

RICHARD HEWISON...

- Has lived in London since 1993.
- Works in financial services as a trainer.
- Is a long-time campaigner for LGBTQ+ rights.
